

A Message From The President

Our next meeting will be Monday, April 27, at the usual time, 7:30 pm. **PLEASE NOTE**, we will meet at the **Gallery 22 at 22 E. Winter Street.**

We will need to finalize plans for our booth at the Delaware Art Festival and the Annual DAG Show. We will also need to nominate club officers for next year. I, for one, will be stepping down as President after the June meeting.

Following the business meeting. Frank Hobbs will tell us about his recent work and his current exhibit at Gallery 22.

I'm looking forward to seeing you, at the meeting.

Guest Speaker: FRANK HOBBS

B.A. Virginia Polytechnic Institute
M.F.A. American University

Frank Hobbs joined the OWU faculty in 2007 and teaches painting, drawing, figure drawing, and 2D design. Before coming to OWU, he taught at Colby College and Washington and Lee University. He has shown his work internationally, is well represented in various private and public collections, and is the recipient of grants from the NEA and the Virginia Museum of Fine Arts.

“Nature has always been important in my life, but I didn’t start painting landscapes in earnest until my last year of college.”

Of his show, he has said, “I wanted to give viewers a sense of the beauties and idiosyncrasies of the place they call home.”

Ohio Landscapes: Works by Frank Hobbs is the current show at Gallery 22 near The Strand Theatre. About 30 of his pieces are on display through May 23.
