

from the president:

November 2016

Happy Thanksgiving! In spite of the lovely weather we've been having, the holidays are upon us. It might be time for me to put in the storm windows, now that snow is in the forecast. I would like to offer my home for our holiday get-together. We will discuss a date and time along with other details at the November meeting. If you would like to email me with some suggestions, please do that in advance and we'll make our decision at the meeting. Our meeting this month will be at GALLERY 22 on Monday, November 28 at 7:30. Gallery 22 is located two doors from The Strand Theatre at 22 East Winter Street. Our speaker, Steve Hirsch, has been seen in Outdoor Photographer, Digital Photo, CBS This Morning, USA Today and Smithsonian. His work is the current show at Gallery 22 and he will be talking about his work.

The Women's City Club 2016 Holiday Fundraiser, we're trying something different - a Celebration of Wreaths!

We are requesting wreaths of every shape, size, and theme for a silent auction to be held on Delaware's First Friday, December 2nd. Auction items and information can be given to us any time before November 25th.

Entries don't have to be round, and they don't even need to be a wreath (Christmas charm bracelet, anyone?). We have a new Pinterest page filled with so many great ideas, you might even want to do more than one: <https://www.pinterest.com/cityclubofdelaw/>

There will be a special Facebook page for the auction (Wreaths, Wine, and Wassail), and the auction items will have their own photo gallery with online bidding there during the live event. Some of the wreaths will be on display at Delaware Merchants' before the event, and all will be featured on December 2nd when we turn the Delaware Board of Realtors into a fantastic art gallery, mingle, and silent auction.

If you have any questions, please address them to our special event email: imagine.a.wreath@gmail.com.

Many thanks for your support of the Women's City Club.

Sincerely, The Festival Committee
