Our up-coming meeting will again be held at Gallery 22. Our guest speaker will be a docent from the Columbus Museum of Art and will speak about the new wing that has just opened. Please join us for what we believe will be an interesting and educational evening. The meeting will be at Gallery 22 at 7:30.

Refreshments this month will be provided by Linda Quertinmont. If you would like to help her out and bring something, too, please contact her at lindaq0176@gmail.com

BE OUR HERO!

We are in desperate need of a new treasurer. Ray Wollschleger has some health issues that demand his attention and he will not be able to fulfill his role as treasurer. Mike Palmer has offered to guide our new treasurer in what to do and how to do it. We cannot have an organization without a treasurer, so please think about volunteering for this position. We can answer any questions you may have about this at the meeting on Monday. Thank you!
